Randall,

When we talked recently, you explained to me that you were not accusing Wiley Rein of having a conflict. Accordingly, I have followed up your requests to check for files belonging to Blue Spike, Wistaria and Moskowitz.

I confirm that I have several bankers boxes of documents which I retrieved from off-site storage, including at least four bankers boxes of prior art, in addition to other boxes of files. If satisfactory to you and Scott Moskowitz, I can transfer these files to you. Please confirm and I will coordinate a transfer of these files.

Floyd,

We write to follow-up on your inquiry into any older references that you may have with respect to the patents-in-suit. Did you have any luck?
